

We offer Elementary and Middle School Education to the children of our employees at the "La Caridad" School.

In 2008, SCC invested a total of **US \$26.4 million** in community-oriented programs, benefiting approximately 425,000 people.

Community Support SCC
(MILLIONS OF DOLLARS)

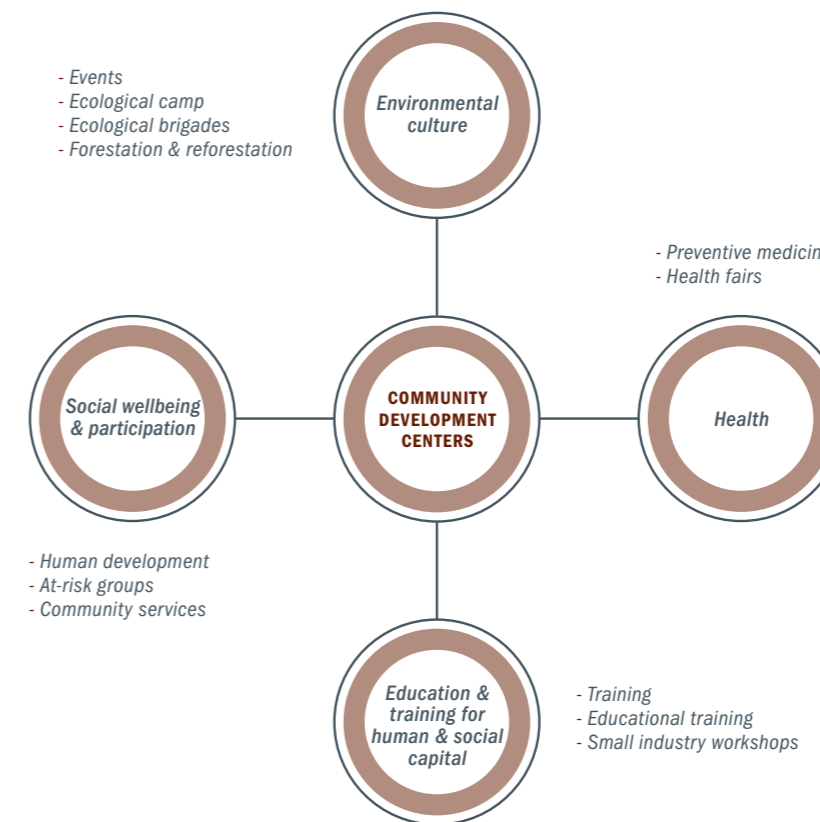

INVESTMENTS IN COMMUNITIES AS OF 2007 INCLUDE THE VOLUNTARY SUPPORT PROGRAM AND THE COMMUNITY DEVELOPMENT CENTERS.

The total support given to communities is directly related to our sales, which decreased considerably in 2008.

2.4.3 MM Community Development Centers

Our community development programs are aimed at creating a better environment of interaction and development between the residents of our communities and the company. These programs include:

People directly benefited from the Community Development Centers: **52,386**

We offer programs at our Community Development Center in San Luis Potosí in conjunction with the State Institute for Adult Education. In 2008, 53 Elementary School and 150 Middle School Diplomas were awarded.
